Brewing Hope Coffee Festival

Join us for a fantastic day filled with aromatic brews, delicious treats, and a whole lot of fun. Sip on various coffees from local roasters and discover new flavors that will awaken your taste buds, and then vote for your favorite brew in the People's Choice event. But it's not just about the coffee! There will be other vendors, including bakeries, chocolate shops, and kid-friendly vendors. We also will have live music and a virtual reality interactive experience where you can walk in the shoes of Lisa, a victim of child sex trafficking, and learn more about how this happened to her.
